**24 MONTHS
WARRANTY ON
FITTED PARTS***

You can trust Mack Genuine Parts.

24 MONTHS WARRANTY*

ON GENUINE PARTS FITTED IN A MACK WORKSHOP

Like the reliability of a trusted handshake, Mack Genuine Parts and Mack authorised workshops go hand in hand. If a Mack workshop installs genuine parts in your vehicle, we'll double the warranty from 12 months to 24 months / 500,000km* and cover the labour. If the part should fail, we'll not only cover the replacement costs of the faulty part, but also the cost of all other parts directly affected by the failure and any labour costs incurred (when the work is performed by an authorised Mack workshop). This guarantee ensures peak performance on the road and also saves you time, money and worry down the road. How's that for added value?
